

## Incident Detailed Report

This report displays all of the incidents tracked for the current project. The incident's details are displayed, along with tables containing the list of resolutions as well as a tabular list of attached documents, linked requirements/incidents and the change history

### Product122:Project-s3961136

#### IN:234-(100 Users)Welcome page took longer than 3 seconds to download

##### Description

Check the loading performance of Welcome Page

##### Expected Result

Welcome page should be presented within 3 seconds.

##### Actual Result

Throughput/Sec: 19.1681

Throughput/Min:  $19.1681 \times 60 = 1150.086$

Min Time: 2432 ms

Max Time: 5140 ms

##### Test Run Steps

1. Browsing Welcome Page  
= Passed
2. Check the response code  
= Passed
3. Check the text response  
= Passed
4. **Check the loading performance of Welcome Page**  
= Not Run
